### Tasting Notes

With all the grace and power of a dancer, the 2010 Martha's Vineyard Cabernet is something to behold.

This wine is so inviting with rich aromas of boysenberry, cassis and that classic Martha's mint, all tightly woven around a sweet core. On the palate rich, savory notes of French oak and hints of cigar box mingle with well-integrated tannins, culminating in a silky finish. Focused and precise, this is a classically proportioned Cabernet Sauvignon.

This is a wine so impressively structured that a great deal of its appeal lies in anticipating its potential. This is one Cabernet you'll want to check in on for years to come.
