### Tasting Notes

With its lush ruby hue and refreshingly zippy acidity, you'd be forgiven for finding yourself transported to Northern Italy. Indeed, this is our Napa Valley expression of a grape originally from Piedmont – and a wine we've been making for our entire 55-year history.

Versatile and vivacious, this wine is filled to the brim with sweet red berry flavors and garnished with just a hint of orange peel, giving it a wonderful finish. A natural match for lighter fare or even a slice of pizza.
